I would like to extend condolences to the family for your loss. I have found so much comfort in this scripture at Revelation chapter 21 verse 3 and 4. There it shows that God will alleviate the suffering that comes along with the loss of our loved ones.

I met Phillip a few years ago when he did some remodeling at my house. He basically ended up remodeling the entire inside of my house. He did always have a big smile on his face. He made you feel better if you were having a bad day. He knew how to make you laugh. We would hang out sometimes and just laugh. I will truly miss him. He left way too soon. There was so much more that he wanted to accomplish in life. My condolences to his family on your loss. He suffers no more.
