“ To The Family Of Yvonne

LIFE IS BUT A STOPPING PLACE

Life is but a stopping place,
A pause in what's to be a resting place,
Along the road to sweet eternity.
We all have different journeys,
Different paths along the way,
We all were meant to learn some things,
But never meant to stay,
Our destination is a place far greater than we know.
For some the journey is quicker, for some the journey is slow.
And when the journey finally ends,
We'll claim a great reward and find an everlasting peace together with the Lord.

“ This is for The Family of Yvonne Robinson. Newt as she was known by family, was such a dedicated first cousin that would never ever forget a birthday. She would at times on a daily basis call my parents. Always asking how I was doing and she babysat my son.

I will surely miss her and asking how everybody was doing. RIP cousin Sylvester (Sid) Bradley

“ Cousin Newt,

I'm going to miss you very much! You brought so much laughter to our family. You loved your family and when you called you wanted to know about everybody in the household. You would call early in the morning to make sure you talked to me before I left the house! I'm going to miss your million questions, your jokes, looking for a bite and riding high with Mr. Harrington in his BMW. Rest in peace cousin. Gone but never forgotten

“ Community Remembrance & Celebration: Thank you Paula Maria community for celebrating and honoring my Aunt Yvonne's life in such a sincere, meaningful and beautiful way! Also, thank you to Joynes Road Church of God, other friends and family. An extra thank you to the organizers and contributors. My aunt appreciated the meaning of Memorial Day and so today was the perfect day to remember her presence in our lives as well. The flower that was planted - so thoughtful and beyond beautiful!

She seemed to like her apartment out there and now we see that the fondness was mutual. The entire ceremony just touched your heart followed by good food and more fellowship and memories. Love and care are shown through actions and you all certainly showed up today! Thank you!

Monday, Memorial Day, 25th of May 2020.

“ Of course there are those of us who loved her automatically; she was family and one of the sweetest-natured people you could ever meet....Then there are also, those who my aunt befriended and grew on whether you wanted her to or not! Heh, heh, heh. At the end of the day, we all will miss her. Loyal could have been her middle name. She had a natural gift of one of the best memories for names, birthdays and different events and stories - all people related. There are people, like her, who cross your path and can teach you positive and valuable life lessons.

As my auntie lay there peacefully in the hospital room, I think that she welcomed the time to 'go home' for good and then chose which day to take those last 2 breaths. Living far away, I missed her already when she was still here and we visited on the phone. She would call me 'Jeannie.' Now, I miss her even more and there is so much more I could say. Until we meet again 'Aunt Neut,' you are in my heart forever and ever and ever.

I love you,
Jeannie

“ For Everyone:

I want to express very, very deep gratitude to all for sharing a kind word, a memory, love, a song, prayers, even a poem and wonderful photos. Also, thank you M.E. Fisher Funeral Home for your service, compassion and support for our family.

Honestly, I initially wondered where/how I would get at least one photo of 'Aunt Neut.' i remember one of my favorite photos of our aunt was from high school and so thank you Ms. Beulah for sharing that photo! That is right on time. Through this whole home-going process, I am definitely finding out even more just how much my Auntie was appreciated and loved. It all brings me some degree of comfort and joy.

I believe our sister, our Aunt Neut, our cousin, our friend, our neighbor, our buddy, our church member, one of our favorite residents, our name, date and family history go-to, our valuable community member and last but not least, our One of a Kind Strong Black Woman! is smiling down on us. Thank you Aunt Neut! We Love You.

Respectfully, Jeannie (Darla)

“ I am saddened to learn of Yvonne's passing. She was such a sweet and quiet young lady in school. I had not seen her over the years and often thought about her. My prayer is for Yvonne's family to find peace at this distressful time. May your fond and loving memories keep her close to you.
You have my heartfelt condolences.

“ My cousin Yvonne (Nute),

My heart was full when I heard you had expired. The fond memories of visiting you, going shopping, going out to eat, talking about the latest news and our childhood memories will always remain in my heart. You don't have to worry anymore about your health or anything else because you are in the MASTER'S HAND. You were a wonderful person and one of my favorite cousins. I will always love you and cherish all of the good and bad times we had. REST IN PEACE MY BELOVED COUSIN!!!!!!
