To my mother, best friend, my motivator, a great role model, my whole heart. No one will ever be able to take your place. You will be greatly missed. It's not a day that goes by the girls & I don't think of you & your good memories that keep us going. We know that God needed you more & can't argue with him. Until we meet again, save a seat for me. Love you my dear and precious mother. -Raven Phillips Lee, middle daughter.

“ *Alease was a very sweet lady. We worked together at Morrison Cafeteria and she always took care of me. She made sure I learned everything she nee about making there salads and breads. I truly missed her kindness when I left that job.*

May God give each of strength and peace to go forward. She truly loved her children and grandchildren. 🙏
