“ Hi my name is Kimberly Jones , My Aunt Annie was a very sweet person whom treated everyone good. She loved to talk & had an awesome memory. I loved to hear her talk about the past and old family stories. I am especially happy that I had the opportunity to spend a lot of valuable & quality time with one of the elders of the family. What a sweet, Awesome & Godly woman. My aunt loved her late husband, her family, and life. I will truly miss sharing in conversations, meals , outings, ect.. with such an amazing person.
