“ *My family and I would like to offer our deepest sympathy to you and your family. The comfort found in the Holy Scriptures can help soothe the pain in our hearts. Psalm 34:18 assures us that God is near to all those who are broken at heart and crushed in spirit. He cares for you and wants you to draw close to him in prayer at this difficult time. (James 4:8)*

“ To The Family of Antravias Porter, I was really sadden to hear of her untimely death. She and her family was like family to me. I will miss her beautiful smile but her time here with us has ended. She now resides in a much better place, resting in the arms of Jesus. She was such a caring person with so much love for her family. She will be missed but I know that God loved her better so he called her home to be with him. To the family my prayers and love are with you and I pray that God the Father will give each one of you perfect peace, the peace that surpasses all understanding. Remember He puts no more on us than we can bear and joy comes in the morning. Be Blessed each and everyone of the family. I love you all.

“ Nikko, Ricko and the Porter family I'm deeply saddened to learn of Tracey's passing. Back in the late 80's, we worked together at Burger King on Jefferson Avenue. Tracey, I'd like to tell you job well done now rest in paradise. I'm going to miss you especially your smile.

“ To the family of Tracy, May God Strengthen and keep you during this time. God will never put more on us than we can bear. We may ask why? but we serve a Perfect God and He has a plan for each of our lives, so just know He will be there to comfort you during this time. Stuart Gardens was a family and when one of the links are gone we are all broken. But To God be the Glory we will all be together again one day in Glory to join those links again. My heart is heavy and tears may fall, But I still have JOY in knowing she is okay now with my Jesus. Blessings & Favor.

*But God.....,*

*Prayerfully,*
