“Mrs. Audrey Reeves had a robust voice that unmistakably hers. She always answered with her first and last name and immediately asked, "How are you?" I will miss the conversations I had with her about my great aunt, Betty Dees. They were best friends for 40 years until she passed away in 2017. Now they are reunited in heaven and I know they are laughing up a storm and probably playing cards.

Audrey's relationship with her husband, John, was something to aspire to. They were always together and it was clear from the moment I met them that they were best friends as well as constant companions. The love and concern they shared for one another was incredible to witness. I'm so sorry for this tremendous loss. She was an amazing person and always so positive and encouraging to me as I managed my aunt's medical care towards the end of her life.

May you rest in peace, Mrs. Audrey Reeves. You are missed and always in my thoughts. Your husband and family are in my prayers.

Love,

Stacy

Hi my name is Linda, I use to work with Audrey, but I used to call her aunt Audrey and her husband uncle John. I have been trying to find them two because they have been on my mind so heavy, now I know why. I wanted to tell auntie that my daughter Christina passed away in May of this year and I just wanted to hear their voice. Please tell uncle John that I am so sorry and I love and miss him so much. Here is my number 848 480 9021. God Bless
