“ I guess it is true what they say about true friendship spanning generations. You had been a friend since Dunbar elementary. Who could forget walking home from Hunting High with Claudia, Yvonne, Shirley, Barbara Manson and me. Visiting at each other's home and sharing likes and dislikes. Celebrating birthdays, holidays, births of our daughters, marriages, divorces, job promotions and all of the family gatherings at Seabreeze Court, and Santa Barbara Drive...I will never forget. I did not know that it would end so suddenly. In your words "We don't go by conditions, we go by appointment." Rest in peace Chico, you will be dearly missed!

Love you...Margarett Moore Harris

“ To the family of Barbara Miller:

Barbara was a wonderful person! She and I went to the School of Engineering and Logistics (SEL) in Texarkana, Texas years ago. We became friends and shared a wonderful bond! She was so funny and full of life. We had some good times down there. I will never forget the fun pictures she, Maxine Curry, and I took at that club that had the tree implanted in the middle of the dance floor! Man, what a time...! My friend Barbara, you will be missed! May your soul rest in peace now! God bless you!
