“ *I do not know the family but i read of your loss. I offer my deepest sympathy to each of you during this most difficult time. The loss of a loved one so young is very tragic and unnecessary. May God comfort each of you during this most difficult time.*

“ *I taught Barry at Crittenden Middle School many years ago. I have a picture of him on a pencil cup smiling surrounded by a few of his classmates. Last year I saw him at Menchville and showed him the pencil cup with his picture...he laughed! His smile would light up the classroom.I'm so sorry to hear what happened.*
