“ He was a great father and my best friend when I needed him. I miss him so very much and we had great times, and have traveled to many places together when he was alive. I love and miss you so very much dad. Love, your youngest son Barry D. Shaw Jr.

Barry, I just learned of your dad's passing and I am so sorry for your loss. I went to school with him and have many great memories of the fun times we had together. I had no idea he was ill and I will pray for you and all your family. Barry was such a sweet and funny guy and will be missed by all those who knew him.
