

## Ms. Beatrice Birdens

November 7, 1964 - September 10, 2017

Beatrice Birdens was born on Nov 7, 1964 in Miami Florida, to proud parents; Minnie Birdens and the late Jack Birdens. Beatrice received her education at Miami Dade public school where she graduated and later attended Florida Memorial College in Miami, Fla. Beatrice worked as a manager in various fast food franchises. In November of 1992 she moved to Newport News, VA, where she continued working as a manager, she worked diligently. She was reliable, dependable, dedicated, and always a team player. Beatrice later joined the Wal-Mart Corp., a place that she loved being a part of a team that strives to make things better for the employee, and customer. She always worked to achieve the highest standard of dedication, kindness, love, respect, and loyalty to her customer and associates.

Beatrice received her degree from Thomas Nelson University, and she was also looking forward to continuing her education at Norfolk State University. Beatrice accepted Christ into her life at an early age. She was a beautiful, loving, kind, and caring person. She was always lending a helping hand to lift someone up. She would light up a room when she entered in. She had a beautiful smile that would light up the whole state of Virginia. She loved her family so much. Though far apart, it couldn't break the love. The phone calls and frequent visits back home, showed how much she cared. It seems like she had decided to make her home in VA. She found many friends that became family at Wal-Mart. She had the most respect for them all.

Beatrice loved all sports. She loved playing basketball, volley ball, and running track and field, that is until she obtained a knee injury. “ You will be truly missed. I feel awful, that I haven't been around in a few years. We had some great times, that I will always remember. When I saw you a few months ago, I never would have thought that would be my last. You were looking great. Rest In Heaven!!
