

Mrs. Beatrice Juanita Crutcher

November 19, 1942 - July 26, 2020

On Sunday, July 26, 2020, the incomparable, timeless, and elegant Beatrice Crutcher was called home to be with our Savior. Beatrice was born November 19, 1942 in Buffalo, New York to the late Elijah Robinson and Thelma Edwards Robinson.

Along with her parents, Beatrice was preceded in death by her maternal grandmother, Norma Lee Edwards Bland whom she called "Mom;" her son, Anthony L. Robinson; her siblings, Dorothy Robinson Graves, Milton Robinson and Francis Robinson; aunts, Ruth Edwards and Susie Pulley.

At a very early age, Beatrice accepted Christ at Little Bethel Baptist Church, Stony Creek, VA. She was a member of Mount Olivet Baptist Church in Petersburg, VA under the leadership of Rev. Dr. Wesley K. McLaughlin. Beatrice was a member of the Petersburg Registered Beauticians and Vicinity, Virginia State Beauticians Association and the National Beauty Cultural League.

At a young age, Beatrice fostered a love for elegance & style, which motivated her to become a Professional Cosmetologist & Business Entrepreneur. She worked on Ft. Lee as a Photographer's Assistant while continuously pursuing her dream of earning her cosmetology license, with her children being her driving motivators. During her time there, she met & married Stephen

Crutcher, who encouraged & supported her dreams. Through hard work & dedication in the mid 70's, Beatrice opened Cosmopolitan Hair Fashions which propelled her to become the Premier Beautician in the area. To satisfy the demands for her extraordinary gift, she expanded her business and founded Prestige and Panache Hair Salons. That same passion never wavered, and she continued to touch lives until our Father called her home.

While building her business, Beatrice was able to raise her six children. She leaves to cherish her memories her loving and devoted children, James R. Richardson, Kim M. Richardson, Alesia A. Johnson, Allison W. Chandler, and Tara C. Floyd (Edgar); nine beloved grandchildren, great-grand-children, great-great-grand child; aunts and uncles, Virgie Bonner, Richard Edwards, Booker Edwards (Ida), Mary Alice White, Elsie Edwards Johnson, a host of nieces, nephews, cousins; devoted friend, Tony Beamer and her three godchildren whom she adored.

Beatrice was a legend. She was a remarkable woman who impacted communities around her. She was able to mold her passions for beauty, fashion, and entrepreneurship into an incredible legacy. Through her hands she touched the lives of many who will forever be impacted by her kindness, love, power, elegance and grace.

A Celebration of Life for Beatrice will be held at the Historic Popular Lawn Park, 351 South Sycamore Street, Petersburg, VA on Sunday, August 2, 2020 at 3:00 P.M. “ *What can I say about a beautiful, beautiful lady that hasn't already been said. This lady has done my hair since I was 16 years old and now I am 53 years old. After I had two girls she has done their hair since 5 years old. She would tell anybody who didn't know that. She was more than my beautician, she was my friend, my mom, my sister.....she was just that person who was always there for me. She is a legend and her legacy will live on. I could sit in her chair and she would say "what we going to do today", I would say give me what you think would make me look younger, she would say I gotcha. I trusted her to do whatever to my hair because she knew what I liked. Talk about a good cook. What will I ever do not seeing her face every two weeks, talking, laughing, eating and just having a good time. May God comfort all who are left behind and know that I love you all! NeNe you have my number.*

“ *I have always been proud to have such a beautiful strong black woman in my life for as long as I can remember. My Christmases were not complete until our families joined together to love one another. I will always cherish those moments and many more as they helped shape who I am. Her strength, her smile, her vision, her work ethic, her love for family, her style, her kindness and devotion for perfection was so powerful that it seemed that we were just tracers in her blaze as she shot for the moon and she was a star ✨ . She made our family And Petersburg stronger every year Is how I remember her. That is the legacy of a “Strong Black Woman”. I will always look to you for spiritual guidance as I continue my journey on earth. You have your wings now and I know that you will be one of God’s best Guardian Angels. Your ever loving cousin/nephew Darryl Edwards.... Thank you and I love you to ☺ and beyond.*

“ *My sincere condolences to Bea's Family:
What a legend, a beautiful woman whom I
adored. I travel to Cosmopolitan Hair Fashions
from Charles City for over 15yrs. waited in
Joe's Barber Shop just for Bea to fix my hair,
her professionalism, her styles was off chain,
no competition loved her. I saw Bea and Lisa in CC back in
February, she was still looking good, I just grab and hug them its
was so nice see them. You don't forget people that was good to you
in those years we bonded we shared many talks. I always told Bea
when I get her age I want look just like her WOW!! her styles her
fashions , her looks. SHE WAS A BEAUTIFUL WOMAN.
To the family I leave this with you
Although you cannot hear her voice or see her smile no more.
Your Mother walks beside you still
Just as she did before.
You'll always feel her love within your heart.
Love, Cookie Wallace

“ I don't have any words to express how I grieve at your loss. My earnest prayers and thoughts are always to help you through the the days ahead. Bea, was all about family and loved each one of us unconditionally. Our last conversation was to plan a family reunion and let's make it happen. There's no love like a Mother's. Bea, will be greatly missed as she was loved. May your memories bring you comfort.

I am sharing in your sadness as you remember your beloved "Bea." I am also sending prayers for healing and comforting hugs. She was beautiful, talented and skilled. Her greatest treasure was her children. She modeled her role as a mother and prepared her six children for life's journey. Beatrice Juanita Crutcher made her dream become a reality through sweat, determination, and hard work. She was a cherished friend and will be truly missed. May God comfort, sustain and keep sweet lasting memories of her life.

She was a woman of style, sophistication, grace, love, beauty and energy. She loved to make all her clients feel beautiful after having our hair done. “ To the family of Ms. Bea, I send my sincerest condolences. She was a phenomenal woman and I will always remember her. I met her when I was 7 years old and she had been in my life for many milestones. She was my beautician when I was a young girl in Petersburg, she did my hair for my wedding, she, did my mothers hair when she passed and her legacy of anointed hands continued when she also did my daughters hair for their proms and I could go on and on. I will really miss her wonderful smile and many words of wisdom. She loved the LORD and is now at rest. Well done good and faithful servant. It was a privilege and honor to know her. I'm praying that her family find comfort and peace during this time of mourning.

“ I would come to your Shop, Cosmopolitan on Sycamore St. when I was about 12-13 years old. I can still see you standing there at the very first station, styling, cutting, curling, your clients hair. Always looking so pretty. You were an example for so many and definitely to me. I sat there with my eyes glued on you to the point after leaving I would go home and emulate everything you did. I know God is the Gift giver but He chose you to inspire me and others to become Hairstylist. You were such a talented stylist you made it really hard for new stylist to get to your level. I never got the chance to let you know that you were My Mentor and that you are the reason I wanted to become a Hairstylist. I Honor your Life and Legacy today and I want to thank you for Inspiring me for not only wanting to be a Hairstylist but to be the Best Hairstylist. My Condolences to my classmate Tara, NeeNee, Reggie and Kim. Your Mother was a Beautiful Lady who secretly Inspired so many. Her Life and Legacy will be remembered. “ Bea Crutcher has been my beautician for over 40 years. We have shared so many stories about family, friends and life. She was not just my beautician but my friend as well. There are not words to describe how I felt when I heard of her transition. But God in his infinite wisdom allowed me to have a dream about Bea on the night before her transition. In my dream she was sitting in my kitchen with her feet on the seat of the chair and she seated on the back. I said, “Bea, how are you doing”? She said, Jean, I am blessed and doing just fine. She was wearing black capris which were very shiny and a sheer white blouse. Thank you God because I know she is just fine. To her beloved sons, daughters, grandchildren, other relatives, and friends our deepest condolences. We all were blessed by a beautiful person and a life well lived. Rest in Heaven my friend!!

“ I am devastated. This lady was like a second mother to me. She has been doing my hair since I was 17 years old and I'll be 60 in November. I was just sitting in her chair on July 18, 2020 and the next day would be my mother's 1 year of her passing and I started crying. Bea consoled me and told me that she'd always be there for me and that she loved me. I thanked her for being there for me when my grandmother passed she did her hair and dressed her. And when my mom passed she did her hair too. We had a friendship and a bond that was so close. My heart is hurting so bad. I'm going to miss you so much Bea. Thank you for ALWAYS being there for me and my family. And most of all, thank you for making me look and feel beautiful every time I left your shop. You rest now. I love you forever !!! 🙏🌹🌹
