“*Lucila, what a beautiful tribute to your Abuela! I will certainly be generous with my smiles today. I understand your sadness; I was very close to my grandmother who was full of smiles and laughter who died in 2001. She was my matron of honor in my wedding and held on to her life until she met my first baby, Maddie. She literally died the next day I still miss her and think of her every day. My heart is wrapped around you today!Darcy*

“*Pnut, you were like a brother to me! I'm going to miss you so much! Your presence was like a ray of sunshine on a cloudy day and you always had a good word to make a bad day better. I'll never forget the years of joy and laughter we shared and how you always uplifted my spirits! Love Always as you take your seat next to the Saints in Heaven! I WILL NEVER FORGET YOU!!! I wish I had checked my cell phone sooner so I could have talked to you, when I did check and call, you were already gone to the hospital.*
