“ *Beverly was always gracious when I visited her father and mother in the home. I grew up in Chatham, the birthplace of her father. We were cousins. Beverly's father picked me up at the bus station and allowed me to spend the night with his family before I enrolled at Hampton University in 1966. Beverly was always gracious when I visited the home. May the family know that our hearts are with them as they mourn the loss of their mother, sister, and cousin.*
