Thank you for being an amazing friend Brenton. A very positive person and always had a way of encouraging you when you needed it most. I was able to see you at Sentara Hospital. I got to see you at end of December 2025, when you were being discharged from Sentara Careplex. The Gift shop was closed so I decided to send him flowers to his house. I spent all of January under the weather and told him I didn't want to risk making him sick at the end of January. I never thought that was the last time I would hear from you. Nonetheless, I am thankful that Heaven heard that you were ready to wear your wings! Enjoy your much deserved rest in paradise, your new body, and your VIP status. Truly a one of a kind,, class act. “ MOTHER & SON

I would give my life to have you back, said his Mum

I know you would, said her son.

I cry each night for you, said his Mum

And I catch all of your tears, said her son

I pray for the day that I can see you again, said his Mum

Close your eyes and you can see me, said her son...

*You are the first person who loved me,
and you are the first person I loved.*

*You were always there when I needed you,
and you always knew when I needed a hug.*

*I am here for you now, Mum
in your heart and soul.*

*I did not take your heart with me
instead I left mine with you to hold.*

*One day I will take your hand
and lead you to paradise,
but until then my beautiful mother,
when you want to see me
you only need to close your eyes.....*
