“ Jimmy placed the Redskins in the garevyrad long ago. I think back in week 9 after the lost to the Panthers. I don't pay attention much to this Hierarchy/Obituary anymore because it doesn't make much sense to me. For example: Nov 7th Redskins in Graveyard at 3-6 records Nov 15th Jimmy put the Eagles in Life support at 3-6 record (with 5 games losing streak!!) going into the Redskins game. At the same time, he predicted the Redskins (same record at the time) will beat the Eagles. WHAT??? He will put the Eagles in life support but think they will lose to a garevyrad team from same division and same record. The logic doesn't make sense! Eagles bias!

“ I am sorry to read about the passing of your loved one. The loss of a loved one grieves the heart and makes us yearn for fulfillment of John 5:28-29, where scriptures talks about the resurrection of people asleep in death..
