“ Hello Cecil knowing that God has you helps take away the pain that I'm feeling. We are as close as a brother could be with his blood brother. Even though we didn't share the same blood, we share the same love for each other. Not once did we ever leave each other company without saying I love you man. You can now be my brotherly Angel watching over me. Please save me a seat Cecil. We will see each other again. You, Mattie, Ann, Paul, June and Ricky were so darn good to me when I was growing up. You all were my older Brothers and Sisters. As long as I have breath in my body, I will never forget that.

With Much Love
