“ To the family of Charles Henry our deepest sympathy from the Jones/Willis Family, Prince George, Va. From the moment we meet Charles, he immediately became part of our extended family. He was such a loving and caring person and his kindness was shared to all he met. His love for his family and friends was evident from his conversation about them. He is greatly missed. Words can not explain the sadness that we have in learning of his passing. We loved him but God loved him more. We are praying for his family.
