He passed on the 31 of Jan the same day Ma did. My heart is so heavy and my heart is broken all over again. But I know you the two of you are at peace no more pain. This is so hard. Your heartbeat is broken all over again. But you know I got her. You know my sis is trying to be hard but deep down she is missing him and you. Dam my heart is hurt like who is going to protect us. Anyway I love you more than you will ever know.
