“ Clayton was in my 12th grade History Class. We became friends quickly and he was very sweet and kind. We got to play chess in class and when neither of us had dates for the Senior Prom, he came over to my house and we played chess for a couple of hours. He was thoughtful and a good friend. When he joined the Navy we wrote letters for a while and then lost touch. I am sorry for your loss. Kolleen Heck (my maiden name was Kolleen Nelson).
