“ *Uncle Clyde... thank you. You were a major influence and impact on my childhood growing up on 31st.. treated me and my brother as if we were your own. Always could count on you. Although it's been a while since we've connected, the love was always there and you will forever be in my heart. I wish I was there to say my final goodbyes, but I just wanted to say I love you and we will miss you. Get your rest! No more pain and suffering... And hug my brother for me. I know he's happy to have you. Rest In Paradise Uncle Clyde! Love, baby girl.*
