“ *My Grandmother is and always will be my hero. She helped raise me and as an adult she didn't treat me as a grandchild more like one of her kids.*

She loved her children and I can say that I can see a different part of her inside each one of my uncles, my aunt, and my mother. We are a beautiful family because of her and I love each and every member for who they are just as my Grandmother did.

“ Ms. Connie,
Not talking to you on the phone daily will definitely be something I have to get used to. I will miss you dearly, but I hope that you are resting in peace.

“ Words cannot express how much you meant to me. I am so grateful that I had the opportunity to embrace you as my grandmother. I enjoyed all of the time you spent with us and will hold onto all of the great memories we had together. I always admired your upbeat attitude and tempo. You were truly the rock of our family. I will miss you dearly, but I know you are in a better place. I wish I could have seen you, but I know you are watching down on us.
I love you!
