“ *Cynthia was a woman that loved God and her Gigi music. I loved her spirit and her hugs which I'm gonna miss at Kingdom Family Ministry (Petersburg). I always laughed because she didn't like disobedience in children and I'm like you my girl for life. I'm going to miss my dance partner at the Petersburg Jazz Festival. You have gained your wings so rest thy good and faithful servant.*

Cynthia you will be dearly missed. You loved to dance. You might have been a little shy around unfamiliar places and people but if music came on you were on the dance floor. No shyness at all when your dancing. You were always showing love. You may be gone from this Earth but you are forever in my heart... our hearts. Love, be with God.
