“ I remember Mrs. Dixon's beautiful smile. When I visited Timico, she always welcomed me into her household. Her children are my 1169 family. I have memories of Mrs. Dixon being an independent woman.

I would sometimes see her when she came home from work. Before she went upstairs, she would stop and greet me and chat with me for a while. Never was she a woman of drama. She was a woman of sophistication. I will light a candle in remembrance of you, Mrs. Dixon.

“ *My mom was my rock in my life for many years. All my life to be exact. We endured many tough times together and many endearing ones too. She was a rock to many others too. People that became family over the years. She was a Super-Heroine to us in many ways whether we realized it at the time or not... To me and my peoples growing up. To my brother and my sister's people growing up. Even to my children's people growing up. We were blessed to enjoy a straight five years plus with her in our recent past all to ourselves!*

She too was a Daughter and a Sister. We/They called her Mommy. They called her Sister. They called her Auntie. They called her Cousin. They called her Grandma. Even more beautiful she was a Great-Grandma before God called her home. She was blessed to hear them call her that also through the mouth of babes before she departed. She was truly loved by many as she will be truly missed equally by many.

It is a shock to everyone that she is gone. Everyone agrees she was still too young leaving this earth, what seemed way too soon for us all. She loved God. She loved her children. She loved her family. She loved her friends. A kind person that would feed you and help you with the clothes off her back need be. She was also a Co-Worker, A Friend. A truly beautiful Spirit, Soul, Smile that will be missed.

*We Felt The Love Mommy
We Loved You Back
You Will Be Forever Missed*
