“ *Darryl, Oh how we miss you  
Dayday is now 21 years old, and yes hes still the man in baseball  
and plays for the local college,  
Destiny is now 16 and is just as rude and mischievous as she has  
always been, and I love every minute of it, you always said she was  
gonna give me a run for my money, and boy oh boy were you right  
and Daymien is now 11 and he is so much like you, he looks, walks,  
talks, and is every splitting image of you, he reminds me every day  
that he is definitely your kid....*

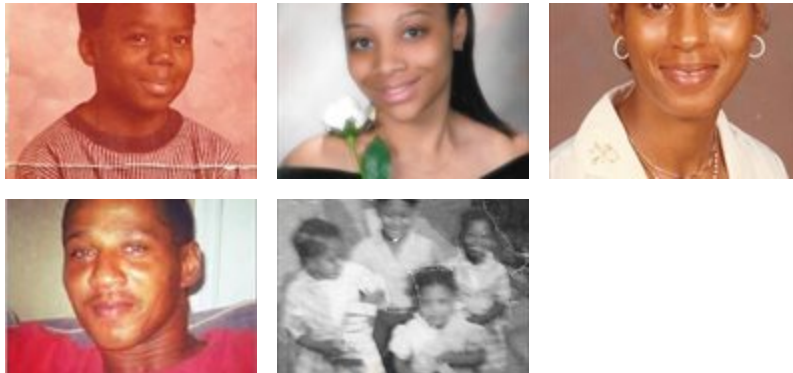

*WE MISS YOU.....*
