My husband was my soulmate, my best friend, my dance partner and my

provider and protector. We shared so much complete love and true real life together! We listened when times were hard and when times were good, to each other. While all the time, working and building a marriage and family together. We as parents loved and nurtured our son Jason as a unified team to be the responsible young man he is today. My husband and I did absolutely everything together. We laughed and had so much fun on the way through life's journey. His absence will be heartfelt, our grief and sorrow are immeasurable and overwhelming for Jason and I! But with constant prayer and faith and the knowledge that Sandy is in the Kingdom of God's glory, will help mend our broken hearts. Jason and I will love you immensely! May Father God and Lord Jesus watch over you always.

“*Daryl, AKA Sandy, was my brother-in-law. He was a loving, protective husband, father, uncle and brother to me and my siblings. He was a man's man! We will deeply miss him. I pray for our family, especially my sister, Pamela, who loved Sandy unconditionally and greatly. Also for his son Jason who was Sandy's pride and joy. God bless Pam and Jason and God bless this country that Mr. Daryl Trent served for many years. God promised that we will see Sandy again. Jesus also left us a Comforter, the Holy Spirit for such a time as this. Peace my brother. I'll always love you.*
