“ Deborah was a wonderful lady. Although it took her a little while to warm up to me, we became so close over the 20 years that i knew her. She was a wonderful, thoughtful and generous person. She was a strong woman who was able to overcome so many health challenges. She accepted me as part of the family and treated my children (that weren't truly her grandchildren) as equals. She took care of her own and family was everything to her! We shared many great times over the years. I will cherish those memories! I will miss her so much..her smile and her tell it like it is personality. She was a wonderful mother, mother in law, grandmother and in the end friend! Rest easy Deb. We love you now and always...
