“ *I am so sorry to see this. Daily, Demetrius would come to my house and I would pick with him simply because he was always quiet and smiling. I was one of the people who were blessed by his presence and laughter. Metri will truly be missed. I send you my condolences and I just want you to understand the the lord makes no mistakes. You all will definitely be in my thoughts and prayers as will Metri. If I can do anything to help please contact me. Love you Metri.*
