“ *Pig as we called Donald growing up was funny and always smiled. When he was around the Grier family, he was family. He loved and adored my nephew Antwayn and was so excited when he was born. He would say that "That is My Son looking like me." He chose the military to help raise his boy. Always smiled as he watched thru the years him growing into a man. Pig will be truly missed by all. R. “ *I remember Don before he got sick. Always smiling, happy and willing to help a neighbor. The amazing thing is after he was ill his personality was the same- always smiling, happy and willing to help! Don never had a bad word for anyone. He never judged anyone for he was a kind hearted man. He fought a good fight for a long time. He was brave and strong to the very end. Never complaining. My sympathy and prayers go out to Alma and both families. May Donald be at peace with the Lord. I will surely miss him. May good memories sustain the family and comfort them in their time of grief. God bless and be with you all Love, Debbie*
