*Good morning, Mommy
First, I want to thank you for all that you have done for me and our family.
You where the glue that kept us all together.
I remember all those early morning talks when I was going through my health struggles.
You never forsaking me and your constant prayers got me through it.
You are an amazing woman 😊 and today today my feeling are conflicting, part of me is mad and also happy.
I said this, I'm losing my best lady in my life and God is getting an angel in his kingdom.
Know you get a chance to reunite with your mother, siblings and most importantly your daughter, Pookie.
I love you and I will see you again. Your son!
