“ I can't come to grips that my mama is gone. My bestfriend, my heart, my soul, my listening ear my every thing. My queen she was always there when I needed her for anything. She was a mother, grandmother, great grandmother, sister, aunt and friend. My whole heart is crushed and I just don't know how I will proceed without you, I wanna be with you and I know it's impossible I know you are in a better place and you don't want us to hurt but I'm devastated and very hurt. I love you ma I miss you so much ❤️

“ A Letter from Heaven

*When tomorrow starts without me and and I'm not there to see; If the sun should rise and find your eyes all filled with tears for me .*

*I wish so much you wouldn't cry the way you did today; While thinking of the many things we didn't get to say.*

*I know how much you love me as much as I love you; and each time that you think of me, I know you'll miss me to.*

*When tomorrow starts without me, don't think we're far apart. For every time you think of me, I'm right here in your heart.*

*Rest east Gal... Love and miss you. To my family stay strong. Love You All. Love you sister.*
