“ I wish I could call or text you one more time and hear your voice again. I miss you more than words can explain—your love, your presence, and all the memories we shared. You were always there for me when I needed you most, and our bond will never be broken. I’m trying to stay strong and keep going like you told me, even though it’s so hard without you. You will always be my favorite person and the one who made me who I am today. Until we meet again, I love you always and forever, Mommy

“ Hey Ma Elaine. Me and Jermaine was just talking about how we wish we could have gotten you that last burger you'd ever have... at the hospital. The last thing you laughed about with us because they want to advertise food while you there and can't even eat it. Lol! I love you ma in law & I'm going to always and forever be here for Tee Tee and J. This is so surreal. I'm praying for your family. I love you so much. Rest In Peace beautiful lady ❤️😘
