“ I think about you often. I miss you and it's hard to believe you're gone. I was looking through your phone yesterday and I saw pictures of you and Aden together. I tried to send them to me but couldn't find my name in your phone so I begin to type my number into your contacts and "Roast Beef" appeared with my number; I smiled, I laughed, and I cried. I could hear your voice call me, "Roast Beef" :). I love you and I know you will be watching over me. God has called His Angel home and you will always be in my heart!
