“ I only fed Floyd once and that was the day after my brother Gary's and his wife Sylvia's wedding. I knew that we were cousins, but I didn't know how to react to him. Although it was our first meeting, he treated me like we had known each other for ever. He said that family was always welcome. My condolences to the family.

“ I will surely miss my ex-brother in-law.
He could speak intelligently on any subject and was a great cook.
He also had a sense of humor and would keep you laughing. Floyd always put his family and wife first. He would do everything to help his kids and grandkids. He will be missed!💕
