“ *Brenda,
I usually don't watch football, but I had to watch the Super Bowl tonight to honor Frank. I knew the Philadelphia Eagles were his favorite team. I miss him. He was a one of the smartest men I ever knew. He was a caring man. He was a Very Dear Friend. I am Praying for you. May GOD BLESS YOU ALWAYS. I will keep the Joe and Lamison Families in my Prayers also.*

“ *Sending condolences to Mr. Franks family. He was a fine coworker back in the West days, and even better to perform with on stage. Very caring Sir, with a outstanding voice. May God keep your family comforted.*

“ *What a wonderful friend Frank Lamison was. I'm going to miss his booming baritone laugh, his wisdom, and his love for sports as he and I are Philadelphia Eagles fans. I always stated that he reminded me of Fredrick Douglas and he would laugh and say " I once played Fredrick Douglas in a play". My condolences and prayers go out to his family. To his sister Brenda. Thank you for sharing your brothers spirit for the time I knew him. RIP Coach Lamison.*

“ *My condolences to you Brenda. Your brother will truly be missed. He was such a funny guy, he would call and ask my youngest son to meet him on the basketball court. We stayed in touch touch when he moved from the neighborhood.*
