

Mr. Frank Addrell Nelson

July 13, 1949 - January 28, 2022

Frank Addrell Nelson, loving father, grandfather, uncle, nephew, cousin, and cherished brother entered his rest on January 28, 2022, after a brief illness. He was born July 13, 1949, in Newport News, VA. He was preceded in death by his parents, Sallie and William A. Nelson, Sr., and a precious grandson, Jordan Nelson at age 3.

Affectionately known as "Frankie" to many, he accepted Christ as his Lord and Savior at an early age. He grew up in St. Timothy Church of Christ (Holiness) USA, attending services and Holiness Young People's Union. After completing piano lessons under the tutelage of Elizabeth Brunson, Frankie played piano at an early age for St. Timothy, later offering his gifts and talents as Minister of Music to Ivy Baptist Church, under the pastorate of the late Dr. Henry Maxwell, Sr., First Baptist Church East End, under the pastorates of the late Drs. Woodrow Brown, Sr., and Woodrow Brown, Jr. and later to New Mount Olive Baptist Church for more than 37 years, under the pastorate and spiritual leadership of Dr. W. Randolph Rylander.

Frank attended Dunbar Elementary School, where he played "B" flat clarinet in the band with the late John W. Stewart. In 1962, when Frank was in the 7th grade, he played the leading role as Captain Georg von Trapp in "The Sound of Music" musical. He attended Huntington High School and was the woodwind section leader for the Huntington High School Marching Sound of

100, under the leadership and music mentorship of the late Wray R. Herring, Sr. He graduated from Huntington High School in 1967. Following high school, he attended two years at Virginia Union University in Richmond, VA with a major in music performance.

Frank had a passion for music and loved the hymns of the church. He gave his life to teaching choirs the importance of worship and entering into and experiencing the presence of God through worship. He adopted the name Maestro FAN and played masterfully and melodically whenever given the opportunity. Frank produced "The Frank Nelson Project" in 2009. He was thankful to God for blessing him with the gift and vision to produce the CD Project. He was appreciative to the vocalists, who with their dedication to the Project made it successful. Frank also enjoyed teaching piano and taught many students over his lifetime. He knew every song in John Thompson's Modern Course for the Piano Book and how they were supposed to sound and knew if the song and notes were being played correctly. His most challenging students were his family members.

Frank was a dedicated member of the Hampton University Ministers' Conference serving in the HU Choir Directors' & Organists' Guild for more than 40 years. He was faithful and was the current President of the HU Choir Directors' & Organists' Guild until his passing. He also was a member of Phi Beta Sigma Fraternity, Inc.

Frank was formerly married to Vera Simmons. During this marriage, they raised two daughters, Traci and Alana.

In 1992, Frank married, VeElla "Candi" Hicks. Frank and VeElla worked to blend their families with his two daughters and VeElla's two sons, Samuel and Nicholas.

He leaves to cherish his memories, his devoted wife of 29 years, VeElla Nelson of Newport News; two brothers, Dr. William A. Nelson, Jr. (Glen Allen, VA) and Dr. Jeffrey K. Nelson, Sr. (Tisha) of Hampton; two sisters, Janet B. Harrison (William) and Dr. Sandra N. Cherry of Newport News; two daughters, Traci Coleman (Travis) of Sandston, VA and Alana Nelson of Newport News; two sons, Nicholas and Samuel Hicks; six grandsons, Joshua, Jeremiah, Jaquan (Nelson); Dwight Hawkins, Jr., and Cincere Hicks; six granddaughters, Jada, Jessica, Tianna (Nelson); D'Laysiah Hawkins; Nia (Nelson), Mi'Angel Hicks; one great-grandson, Kayson (Nelson); his "favorite aunt," Addie Threatt, three sisters-in-law, Samantha Johnson (Vernon), Vonda Carter-Wilkins, and Wanda Wills, a "family strong of cousins, nieces, nephews," a host of loved ones and friends, and his New Mount Olive Baptist Church family.

“ *Frankie was a dear first cousin of mine. We grew up together along with his siblings as one big happy family. We were at Dunbar and Huntington at the same time. I loved watching him and his sister Sandra (NeeCee) play dominoes with my mom every Sunday. That was PRICELESS. He will be missed. Will continue to pray for his family.

“ *Mr. Nelson, God Rest Your Beautiful Soul. You met me as a shy, sheltered, small and timid 17 year old student and was a major part of my development as a young person anchored in music ministry. You fostered my sense of security in the Body of Christ and years later continued to do so for my now 17 year old daughter Ariel. We both love you for all of the joy and kindness you showered us with, and you will forever have a special place in our hearts. Rest In Heaven. Until we meet again.*

“ I send love to Frank's family whom you shared with the community. I met Frank as our choir director at Ivy Ave Baptist Church in the 1960s. He loved music and tried to help others master it through voice or instrument. I cherish the wonderful memories I have of Frank.
Frank was also a jokester. His responses could be so quick and humorous and would crack you up. 😊
I pray that your wealth of memories made with Frank will bring you some peace and comfort. 💔🙏

“ Candi, Frank never did let me sing my solo. Every time I reminded him, He would tell me that " I made a good usher". I would remind him that he said " everybody could sing". He would come back with " Nita, you make a great " usher and I'm going to keep sending you ushers" . That became our private joke. As we both knew I could not carry a note :)

I remember Frank coming up at St. Timothy. We all started in the youth choir, his sisters and I played the Band at school. I was a family friend, he was ways someone I look up to and and a great pianist and choir director. Later in life he played at my wedding. I will remember him as Great Man, as well as a "Great Friend" Rest Will.

“ ...” Still mine, that cannot but deplore,
That beats within a lonely place,
That yet remembers his embrace,
But at his footstep leaps no more,
My heart, tho' widow'd, may not rest
Quite in the love of what is gone,
But seeks to beat in time with one
That warms another ...”

My pa pa...the grandfather many would be more than lucky enough to have.....It is hard to accept that you are no longer here, however you have taught me, my siblings and cousins what love really is. We are so thankful to have shared a life with you and will never ever forget the things you've done for us or the people you've helped in your journey. You were a giving person always looking out for others no matter the circumstances and blessed so many people.

We have shared many laughs together and I'll personally never forget how you would ask meYou need something Puh-Puh (poo-poo)? And I'd say listen pa pa I'll never turn down a blessing and we would just laugh because that was just a clever answer. I've always enjoyed being your grandson especially growing up when you used to take me to school we would listen to classical music and we always stopped at Hardee's to spend some time before school and eat breakfast. If I could go back and do anything different it would be to learn how to play piano from you because the time you tried to teach me we got through 2 pages and then yea that was it (lighten the mood with this joke but this really happened). Pa pa you were really a blessing that God allowed us to have and I just want to let you know your grandkids love you more than it's possible to love another person and we are so thankful to have had you as a part of our life. We love you papa

Love always, your grandchildren and #1 grandson

“ Unforgettable

That's what you are,

Unforgettable

Tho' near or far.

Like a song of love that clings to me,

How the thought of you does things to me.

Never before

Has someone been more...

What can I say about my dad? I would be here the rest of the year. We have so many memories; from playing jack rocks on the kitchen floor as kids to walking me down the aisle at my wedding. I will miss his stories that he told over and over and over again. "Tra, did I tell you?" and then he would go into the story without me having a chance to say yes, dad 100 times. I would listen like it was my first time hearing it. You have made a true impact on my life and will be forever grateful for the years I got to call you dad.

Love Always, your #1 daughter :)

My prayers and condolences to the family and Aunt Candi. The childhood memories of Uncle Frankie will ever reign how he and my brother Rickey would get me to sing songs as they played them on their favorite B-3 organ and piano, from a teenager to adulthood.
