“ *Father and Grandfather we love you and miss you so much. As days go on we will always remember what you have taught us as we get older and wiser. We will always love and miss you but will never forget you. You are our heart and soul. Grandpa i will always be your rabbit and smile everyday i think about when you told me the story about me being a baby and getting out my crib crawling to you and smiling at you with my big brown eyes. we love you and you will live on in us. “ *Letting Go © Shannon Billeter*

You're still here in my heart and mind, still making me laugh cause your stories live on. I hold you in a thought and I can feel you. I feel you and this gives me strength and courage. The tears I have cried for you could flood the earth and I know you have wiped each one away. For you Brother, I promise you this, I will go on with my life and make you proud. I will always hold you in my heart. I promise you I will be missing you everyday till the end of time, but this is not my end and I can't hold my head underwater...I need to breathe. I need to love and miss you, but I also need to live because through me you will live, you will still laugh and love, you will still sing and dance, you will still hug and kiss. You will forever be in our lives, you will forever be a brother, I am going to miss your shining face I think of you and wonder why? I might cry or smile, but at the end of the day I am one day closer to you....
