

## Mr. Glen Quijano Navarro

August 30, 1969 - February 6, 2022

A very special and most unique individual left us on Sunday, February 6, 2022. Glen Quijano Navarro, age 52, was born on August 30, 1969, at Portsmouth Naval Hospital, Portsmouth, Virginia.

Glen graduated from Granby High School, Norfolk, VA with the Class of 1987. He later went on to attend and graduate from Old Dominion University, Norfolk, VA with the Class of 1991. Glen had an accomplished career in the fashion industry having worked for many distinct brands throughout his twenty plus years while residing in New York City, living his dream. Glen decided to return to his childhood stomping grounds to launch his unique brand of reclaimed vintage Military wears to pay homage to our family's Navy roots. His talent was endless and tireless. Additionally, Glen's love of cooking and baking were enjoyed by many, especially his cakes!

Glen is the beloved son of Herminia and Amado Navarro, treasured brother of Gloria Navarro, adored Tito to nieces, Jessica and Carmen Jones, Alpha "dog" to Otis, Winston and Mila, endeared nephew, uncle, cousin and devoted friend to so many near and far.

Though our loss is huge, Glen's joyful existence, ready wit and countless memories will forever carry us.

A Celebration of Glen's beautiful life will take place at a future date.

In lieu of flowers, please do as Glen would and pay it forward. If you come across someone who could use some help and you have the means, then help.

Final Care and Compassionate Services are being provided to the family by the professional staff of Tucker & Fisher Funeral Home and Cremation Services, 415 Halifax St., Petersburg, VA (804)324-5529.

“ *My deepest condolences to the Navarro family. Glen and I were great buddies in high school. He was not only smart and stylish, but effortlessly cool with a clever sense of humor.*

*He was a delightful soul to know and love. There are really no words eloquent enough to capture the essence of Glen. Clearly, God gave him two scoops when the rest of us were lucky to get one. He was unassuming by nature, but at close range, we all knew what star power was.*

*May he rest in paradise. His indelible spirit touched so many who were blessed to call him friend~*

*Warmly,  
Laureece*

“ Glen was the kind of Tito who instantly made you jealous of Jessica and Carmen because he was simply the coolest. Then you quickly realized that Glen was everyone's Tito. You never had to ask him to be he just was. He cared immediately about you.

*He was the first guy I met with a fashion sense and was always creatively adding to the moment (parties, holidays, bbqs, food, decor, etc), and that inspired geeky little me immensely. I'll never be quite as great at it, but he took the time to fill me with confidence. He was always a bundle of energy and joy, creative and helpful. Growing up, we always knew he was around because he'd be out in the yard helping, always working on the next project - succeeding in making the world a bit happier a place to live in.*

*I regret that we lost touch but I'll never lose the memories, and may we all put out into the world the positivity he'll always represent!*

*Love always,  
Josh*

“ To all of you who loved Glen -

*There's a hole in my life that will never be filled. I lost my brother on Feb 6, 2022. My brother, my mentor, my roomie, my rave dancing partner, my shopping companion, my beach buddy...he was everything that was special to me and to so many others.*

*I miss you dearly Tito and would give anything for one last chance to laugh together. You turned every moment into a joyous and silly occasion. I will truly miss your wickedly childish humor and inspirational creativity.*

*I'll be thinking of you always, Thuy*

“ Dear Gloria and family:

*I'm so very, very sorry to hear about Glen's passing. It seems like yesterday when we played together, rode our bikes, went to school. I still remember to this day the frosted gingerbread cookies your mom made. Where did those sweet, carefree times go? Glen was such a good kid. It's been too long since we've seen each other Gloria. Your parents were so kind to me. I consider you family. And I mourn with you my dear sister friend. Please know that I am thinking of you and you are in my heart.*

*To the Navarro Family,  
When I received the news that Glen had a massive stroke, my heart sank and then when I saw Gloria's post of his passing, my heart completely broke. Everyone who knew Glen knows that he was a positive light in this world. He was such a wonderful person. I mean he really was a wonderful human being. He was fun and funny. He was such a creative spirit as well. Whenever Glen would show up at a gathering, you just knew fun was about to start. I am so glad that I had the pleasure of knowing him. He is definitely the brightest star in heaven.*

*To the Navarro Family and all who knew Glen,  
Glen was one of my very best friends and the most special person I've ever known. His smile, humor, kindness and pure heart was a gift to us all. It's hard to imagine a world without this crazy character. He's left a void that will be impossible to fill, but I'm finding comfort in the years of joyous memories I have of him and hope the same will be true for you.  
The world was a better place with him in it. He'll be missed but never forgotten.
