“ God looked around His garden
And found an empty place. He then
looked down upon the earth
And saw your tired face. He put his
arms around you And lifted you to rest.
God's garden must be beautiful
He always takes the best. He saw the road
was getting rough And the hills were hard
to climb, So He closed your weary eyelids
And whispered "Peace be thine".
It broke our hearts to lose you
But you didn't go alone, For part of us
went with you The day God called you home.

We will always love you grandma

“ *A Better Place*

She's in a better place right now Than she's ever been before; All pain is gone; she's now at rest; Nothing troubles her anymore. It's we who feel the burden of Our sadness and our grief;. We have to cry, to mourn our loss, Before we get relief. We know we'll reconnect with her At the end of each life's road; We'll see her cherished face again When we release our earthly load.

“ To my family I would like to express my condolences to each and everyone of you. I would also like to take this time to say that my Aunt is in a better place and that God only place us on this earth for a short time. we are on loan and once our job is done he moves us to a better place, which is with him.

To my cousins, I want for you all to be strong, because I know that it is hard but you will get throught this little trial and tribulation. just remember all of the good times that you all share. I can remember that when you all lived in Baltimore that we had so much fun together and that is what is keeping me strong.

Your Mother is watching all of us and I believe that she is saying to us for us to be strong and we will see each other again.
