“ I have no words I'm so sad today. My best friend for over 40 years is gone. We rode bikes together as kids, We rode on my little moped when I was a teenager. And we went to kings dominion every easter weekend. He was always there for me when I need someone to talk too as I was for him when ever he needed someone. We were both the same age. I will never forget Greg. Last time I saw him was in June 2018 when I came to visit from canada. I really wanted to be there today to say my goodbyes. He will always have a place in my heart.
