“ The first day I met Hasin we had an immediate bond, we found quickly we had a lot in common and became good friends. I ended up moving and losing touch. Even though we'd catch up every now and again it was like we'd never missed a beat. I'm gonna miss you bro. Praying for peace for you and your loved ones. Always in my heart. -Cash.

“ *Hasin was such a sweet and kind soul. He was a student in my English class during his junior year at SHS. He'd come into my room to say hello even after he was done with my class, give me side hugs and I'd check in on him. I am heartbroken over his loss. I've been thinking of him and his loved ones during this terrible time. Rest In Peace, Hasin. Love, Mrs. Farey*
