“ *God is Good. My Brother, I will miss you so much. We had a lot of talk, disagreements, discussions and opinions and that is what bring family closer. I can't talk to anybody else the way we talk. I spoke to you for the last time the night you passed and I will miss your voice but the memories are there in my heart. You once told me that you want me that you want the family know that you hope that you represented the best big brother you can be and you did and I love you for your spunk and tenacity, your BIG opinions you had and your cooking, nobody cooks like you. We disagreed a lot, but by the end of the conversation it was good. Today is 11/20/23, Monday night football has the Philadelphia Eagles, your team and the Chiefs playing, I hope the Eagles win for you. I will see you again when God returns for his Church. I love you Bruh-man, have a peaceful sleep until we meet again, your baby sis Tammy. Amen*

“ *I met Spanky years ago when he started dating my sister. Spanky had many talents, his handwriting was beautiful! He loved to burn music for people and always willing to lend a helping hand. Our last conversation was a couple of weeks ago when you told me that I was always on time with my words of encouragement. Rest easy!! Until we meet again!*
