

Infant Za'myan Miquel Jones

September 4, 2009 - September 4, 2009

Services Private

Tribute Wall

AW

“ *He was more than my little baby cousin, he's a shining star watching over us at all times. Even thou he and my little man can't play physically as we plan, but in my little man's dreams they will always play together. We will miss him and love him always. He will always have a special place in our hearts. Love, Alex.*
