“ *To the Hunter family, I am so sorry to hear of the loss of your loved one. Death causes so much pain and sorrow. I pray that God will comfort and support you all during this time of sorrow. God will one day put an end to death forever. You can read about this at Isaiah 25:8.*

“ Just meeting Ms Irene was an inspiration. She kept a smile on her face though the pain. It was a pleasure being around her for the short time that we spent together. Your family has a true guardian Angel looking out for for everyone. I'm sorry for the lost but I'm happy there is no more pain. RIP Ms Irene Gone but not Forgotten.
