“ *J I miss you so much. I wish I could have made it home before God took you home to be with him; but I know that you are in a much better place and you are free from pain. You were my little sister I fondly remember all the times we shared talking, laughing and crying. You were my rock and my hero you gave me inspiration to archive my potentials in life and own this to you. I will do my best to complete the task you have left me to handle.
Love you J we all miss you.*

“ *Sometimes there are just no words to say the things that are deepest in our hearts. Jacqui showed such admirable courage and we miss her dearly.
To Jacqui's dear friend Josephine and her "family" at Pepsi-Cola, you were her pillars of love and strength when she needed them the most. The special memories of Jacqui will stay with us all the days ahead.*

“ I used to work with Jacki at Pepsi many years ago. She was a big part of my life and help me in so many ways that words cannot say what she meant to me. I am truly sorry for your lost and know that she has went home to be with her loved ones that has past away in the past. She will always be an Angel in my eyes and knows that she is watching down on us today and smiling. I saw Jacki a few days before she past and the first thing she said to me was I have a dress just like that one I had on. It brougth tears to my eyes. I remember that she had a great style of clothing and she was always buying things off of QVC. She will always be remembered and loved by everyone that had the chance to meet and she has touch many people lives. We will truly miss you Jacki, but you are home now without pain and smiling. Love you forever, Amber

“ I will miss Jacqui's smile, her laugh and her sense of humor. They say you can tell a lot about a person by the company they keep. I hope I have a friend who would love and care for me like Josephine did for Jacqui.

“ *Jacqui was a sister to me. I knew I could ask her advice about anything and get a straight answer from her. We worked on many projects together at Pepsi-Cola. It was always nice to have that 2nd set of eyes and ears to help me through the good times and bad. She will be missed by so many. The true definition of a friend is one that will be by your side through the good times and bad no questions ask. Josephine was truly Jacqui's best friend. Thank you Josephine for being there for Jacqui.*

“ *What a loss for her friends, but what a gain for the heavenly hosts above. Truly a gem in all the eyes of those who were her friends. She is finally at peace and no longer in pain being serenaded by the angels above.*
