“ Alice, Constance and family,  
I am so sorry for your loss of James. I can only remember him as the rambunctious kid back in the 60s when my sister Kathy and I would visit Aunt Mary and y'all. I hope your fond memories will ease of pain of loss and bring you some peace.  
I'm praying for all not you.

“ *To the Jeter family. You are in my Prayers. I call him by his whole name "James Jeter," of course, he would smile. I saw on his red scooter in December in front of my house. We greeted each other and exchanged a few words. He rode on down the street. Little did I know it would be our last conversation. I guess God was ready to bring him home. He had completed his earthly journey and now entering his heavenly journey. I know one thing, James Jeter will be the sharpest dressed Angel in Heaven. Rest in Piece and Fly High James Jeter. 🙏🙏*

“ To Jeter Family:  
I will not look at  
This as a time of loss of my friend James. But as a time to reflect upon the memories we shared, and to celebrate a beautiful life that God gave to him. Sometimes we don't cross every t and dot every i. But the love that's in our heart for God that matter.  
We will meet again my friend.
