“ I learned of Cousin Jim's passing a few years after I had begun research of our Kelley Family Genealogy in 2011. I decided to seek out and assemble as much as possible which has now become multiple lists by category.

James Howard Robinson, Jr. is the 20th grandson born to Walter Shelton Kelley, Sr.

I knew him as "Baby Jim" and he lived for 20,444 DAYS; which equals 2,920 4/7 Weeks; which equals 55 103/106 Years.

I mostly saw Baby Jim when we were at some family cookouts.

God Bless those who read this. The genealogy research is ongoing.
