“ The day Todd reunited with me at Ends Brook for a st patrick thing. He came to me and lifted his sunglasses up and immediately I WAS IN LOVE WITH THIS MAN!! We were going to marry on Christmas Day with colors red and white, he was going to be in shorts, and me trying to look as sexy as ever, with fake snow and 80's karaoke. I miss and love you just as much as that day. I can't wait till we are together again.

“ So very sorry & heart broken to hear of Todd's passing. He was too young to be gone so soon. He was a sweet soul with a generous heart. So many memories flood my head & sadness knowing that he will not be making anymore memories. My heart breaks for the daughter he leaves behind. Sending prayers to all who knew him for healing & comfort. I know he was a believer & I pray that he is with the Lord. He will be missed. Until we meet again Buddy, save a seat at the table for me.
