It came from his heart because he loved the lord. Bobby was a fun loving guy. He loved to sing and dance he loved to eat. His fav thing was his lego,, coloring books. Bobby was my brother and will be in my heart forever. He always would say to me”we grew up together, didn’t we elizabeth Ann”. My heart breaks at his passing, we have always been close. Rip sweet bobby. Till we meet again. I love you forever

“ Hello: My name is Carol Byrd and I work at the Staunton-Augusta Family YMCA in Staunton, Va. Bobby was a member of my 11:15 water class and loved coming and being a part of this class. He always was a "bright" spot in my life as well as the lives of the people participating in this class. He especially liked our "once a month" eat outs where we would go as a group to a restaurant and celebrate birthdays. His favorite dish was macaroni and cheese he so enjoyed not only the food, but the friends that he made in class. I'll never forget one time when I was having a difficult time, Bobby came up to me and told me that he had been praying for me I felt the power of his prayers we talked about Heaven, God, and Jesus quite often and I believe that he is now with them perfectly healed, made whole, with a big smile on his face I was so blessed to have had the privilege of knowing this "special" one of God's "jewels" Love you, Bobby
