

Ms. Janice Althea Miller

September 12, 1956 - November 10, 2021

Janice Althea Overby Miller was born to the late Lula Mae Faines Overby and Vennie Willard Overby, Jr. on September 12, 1956 in Newport News, VA. She was the first of ten (10) children born of this union and she lived all her early years at home, being just that - the "ELDEST". Janice was preceded in death by her sister, Christine Alfreda Overby, and her loving husband, Burnis Miller.

During her earlier years, she graduated from Ferguson High School. She later attended the College of Hampton Roads. Janice had various jobs, but she really thrived at her job as a Bookkeeper for the Hampton Roads Be-Lo Grocery Stores. She obtained gainful employment with the City of Newport News as a Facilitator for the Adult Learning Program. She truly enjoyed this position as it gave her the opportunity to work with senior citizens throughout the city. Just planning/coordinating trips, recreational and educational activities for her seniors, became one of her daily outlooks. It also gave this feisty, busy-bodied, whirlwind a chance to be in control of a group of people - something her siblings and friends knew her well for. It seemed that her seal of approval had to be placed on everything involving her family whether it was a meal plan, holiday activity, or simply how one was dressed or wore their clothes. Janice was brought up knowing the LORD and she faithfully practiced her beliefs throughout her life.

Janice leaves to cherish, her memories her daughters, Trishalyn Bunting

(Tracey) of Newport News and Sa'Sha Miller of Houston, Texas; four (4) grandsons and one (1) granddaughter; five (5) sisters: Doreen Overby, Thyra Y. Duck (David), Beverly McGowan (Hilliard - deceased), Susie White (David), Michelle Carter (Vincent); four (4) brothers: Edward Allen Faines, Vennie W. Overby, III (Carrie), Christopher Overby (Dorothy - Deceased), and Michael Overby (Tina), all of Newport News. She further leaves a host of nieces, nephews, uncles, aunts, and cousins who loved and remembered her as "Juicy".

To have known Janice was to have loved her and to have dealt with something too.

“*Janice was a very jovial person and loved her family. I often times marveled and admired at the way she and her family had this gorilla glue type relationship of love and they stuck together through thick and then.*

My mom, Audrey loved going to Doris Miller Community Center where Janice was the coordinator for the seniors. Her and Janice had a loving relationship amongst their sometime disagreements on the plan she had for the seniors on whatever day. But mom still went and wanted to go even when her health failed her. Mom would often call and ask about Janice and how she was doing.

We enjoyed getting together with our extended family at the many times we were together. You couldn't hear yourself talk, because when those sisters got together, they had so much fun!

Rest on Janice. We will miss you on this side. Be sure to tell our loved ones there (Mom, Jr., Sammy and a host of others) we hope to see them according to the BIBLE (Basic Instructions Before Leaving Earth) again.
