“ Jarvel

Even as I write this , it doesn't seem correct that you are actually gone. I keep leaning on the fact that you brought so much joy and happiness to so many people your light was one like I never seen before. Jarvel you were a amazing man and it was a honor to know you for the amount of time I did. God loaned you to us, and he wanted you to have your wings on his time, not ours!!! Continue to watch over us .

Jarvel.... I stayed on you like my own. You took a photo a few months ago with praying hands. You would sing ' I'm gonna clean up.... You always came back to apologize and then try to figure out how I found out. You will be missed. Ms. Angie
